

**BELTANE DAY** was Sunday 1<sup>st</sup> May... Fun in the Sun... Fairy Trail for the wee ones

## FOREST EDUCATION

Teachers the length and breadth of the land have been undertaking Forest School Training, adding to their 'toolbox' of teaching resources. The training is intensive, and great commitment is needed by the individuals who complete the courses. A healthy number of teachers and pupils in East Lothian Secondary, Primary and Nursery schools are enjoying the 'outdoor classroom', and many are already well established in our woods. John Muir Award activities continue too.

Dunbar Grammar School Geography teacher Mrs S Muir preparing a Forest School session.

Countess Playgroup do 'Hands on' with a tree

## SCOTTISH LEARNING WOODS

is an initiative by 'Scottish Native Woodlands'.

They have been granted funding to plant 600 trees, 40 species, in our woods. They are to be planted at our next, family friendly **event in the woods** . . . . .

## PATH UPGRADE

invitation to the Running Club – we're ready for a trail race now!

Path reconstruction has alleviated the flooding problems at the pond  
Broken pipes by the burn are replaced – no more sewage seepage.

## **HALLOWEEN in the WOODS**

on **SUNDAY 30 OCTOBER**

11am to 3pm
